FOR IMMEDIATE RELEASE:

EASTERN SETS SUMMER SCHOOL

CHARLESTON, IL--Summer School 1988 at Eastern Illinois University will offer a number of programs for special groups of students. Credit offerings, in addition to regular catalog courses for continuing students, will include special courses and workshops for nontraditional students.

Special programming will also include non-credit activities for persons in music, science, speech, journalism; sports and cheerleading camps; the "Summer of Excellence" program for young people; a summer honors credit program for gifted high school students; and the ELDERHOSTEL program for older adults.

-more-

Registration for the concurrent five-week session (June 13-July 21) and eight-week session (June 13-August 11) is June 13.

Summer 1988 will continue an evening college with 17 offerings, graduate and undergraduate, designed to meet the needs of various groups who work during the day. Included are a number of courses from the College of Business and several that meet distribution requirements in general education.

Eastern will continue the guest student policy in the summer. This policy allows non-degree students who wish to enroll in summer school to do so without submitting official transcripts for admission. The policy is designed for undergraduate and graduate students who have not previously attended Eastern and do not intend to pursue a degree at the institution.

Once again in the summer of 1988, mail-in registration for workshops only will be available. The program enables students, upon admission or readmission to the University, to request registration materials so that they can register for workshops by mail.

The Summer 1988 program will be based on a four-day week and other special features include the possibility of 15 semester hours of credit and flexibility in scheduling with four-week, five-week and eight-week courses as well as workshops for one, two or three weekends or weeks.

For further information, contact Dr. Charles Switzer, Director of Summer School, by calling (217)581-2023.
